

# CFI Installation School FORNEY, TEXAS

## *Frequently Asked Questions*

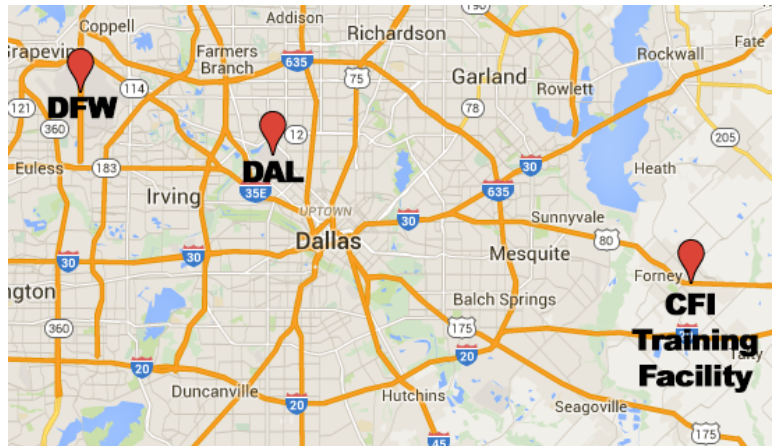

### What airports are located near the school facility?

#### *Dallas-Fort Worth International Airport (DFW)*

- 40 miles from the school
- travel time 45 minutes to 1 hour

#### *Dallas Love Field (DAL)*

- 30 miles from the school
- travel time 40 minutes

### Is transportation provided?

Transportation and lodging are not included in the course fee. Shuttle service is available from the airport to the hotel and will cost approximately \$75-\$125 one way. If you decide not to rent a car, the school will provide complimentary shuttle service to and from the hotel each day. Transportation to and from the airport is the responsibility of the student.

### What hotels are located nearby and do you have a school rate?

The recommended hotel is the Best Western | 752 Pinson Rd | Forney, TX | (972) 552-1412

There is a group rate established of \$75 per night (for stays under seven nights) and \$69 per night (for stays over seven nights). This rate includes breakfast. The rate is also the same for double occupancy. *Amenities:* High Speed Internet, Complimentary Breakfast, Pool, Pets Allowed, Fitness Center

### What meals are provided?

Breakfast is provided at the Best Western as part of your room rate. Multiple restaurants are within walking distance of the Best Western.

### When do I need to arrive?

Class runs from 8:30AM to 5:00PM Monday through Friday. It is recommended you arrive on Sunday afternoon.

### Am I able to travel home on the weekends?

This is entirely up to the student. Class will end around 3:30 to 4:00PM on Friday to allow for those students who are interested in leaving early for the weekend.

### Do I need to bring tools?

Just an open mind. If the student already has a pouch, they can certainly bring it. However, all tools will be provided and it is not necessary to bring any tools at all.

### What should I wear to class?

Comfortable work-type clothes: jeans, T-shirts, etc. Layers are recommended as well, as it can get hot or cold in the warehouse environment in which they'll be working. Work boots, sneakers/tennis shoes are perfectly fine.
