A FLOOR COVERING EDUCATION FOUNDATION INITIATIVE

CFI Mission Statement

CFI exists to elevate, promote and represent the professionalism of flooring installation.

About CFI

The International Certified Flooring Installers (CFI), a division of World Floor Covering Association (WFCA), is a nonprofit organization dedicated to improving flooring installation in the residential and commercial fields. With a commitment to education, training and certification, CFI provides support to flooring professionals worldwide.

Course Offerings

The course offerings encompass carpet, resilient, hardwood and tile. CFI provides one- and two-day events for the seasoned flooring installation professional. As well as one-, two-, and five-week courses, designed for individuals interested in starting their career in flooring, or for the experienced flooring craftsman or craftswomen inspired to add a new skill set to their repertoire.

CFI Partnership with FCEF

CFI is also dedicated to the education and training of the next generation and is a proud partner of the Floor Covering Education Foundation (FCEF). Visit fcef.org to find out how to support the FCEF in their mission to bring awareness to the opportunities in the flooring industry, recruit new talent, aid in the funding of student education and facilitate job placement.
